"A pure wine; a lighter version of the Reserve, with melon and citrus in distinctive regional parameters, the length of palate being its major strength. Great value."

"Made from all estate-grown fruit, this Yarra Valley wine has melon and stone fruit on the nose and palate. Its crispness and freshness on the finish are pure delight."

"An impressive follow-up to the 2004, which I liked a lot. It's very fine and delicate with well-balanced and subtle, understated oak. The fine lingering acidity sustains a long-focused palate. A good wine worth seeking."
